Amend the application as follows:

IN THE SPECIFICATION:

The paragraph beginning on page 11, line 14 and continuing until page 12, line 3, has been amended to read as follows:

--At step 130, once the files are downloaded from the Web site, software in device 10 organizes the mix of downloaded content, information and advertising into a virtual broadcast according to an algorithm which may be selected by a user or some other means. This organizing of a virtual broadcast may be referred to as "generative broadcasting." For example, where audio is downloaded, the virtual broadcast has the format of a customized radio broadcast.
